Whaly 310

The Whaly 310 is an incredibly, double-walled robust boat manufactured from high-grade plastic (Polyethylene) – it's almost unsinkable and indestructible. This boat is low-maintenance and is produced in 100% colour-fast plastic.

The specifications will certainly convince you of its quality.

Whaly 310

The Whaly logo is displayed in a stylized, blue, 3D font. The letters are bold and have a slight shadow effect. Below the letters, there is a blue, wavy line that resembles a stylized wake or a decorative underline.
